twigs, sells in Tibet for about nine pence per pound. The quantity of brick tea annually exported from Ya-tzow to Tibet has been roughly estimated at over six million pounds. It will be seen, therefore, that the Indian planters would find great difficulty in competing with the Chinese brickete makers, as the cost of production in India is not much if any greater, and that of carriage would be very much less. Nevertheless, we may be sure that the Chinese officials will endeavour to interpose every possible obstacle in the way of Indian tea finding admission to Tibet, as the merchants of Ta-tzow could not readily surrender the profitable monopoly they have so long and successfully held.

There will be a meeting of the Hongkong Gun Club at their Grounds, Kowloon, this afternoon.

The P. & O. steamer *Holyoke*, with the next outward English mail, left Singapore at 5 p.m. on Friday, the 3rd instant, for this port.

We are informed that Mr. William Henry Brewster, late of the firm of Brewster, Wootton, and Deacon, solicitors, will very shortly be called to the Hongkong Bar.

At Shanghai, on the 4th instant, at the English Cathedral, by the Rev. F. E. Smith, M.A., James Douglas, son of the Rev. Dr. James Douglas, formerly Chaplain to the British Legation, and son of Mrs. Emily, eldest daughter of William Bassett, Trinity Corporation, London.
